Dear Potential Sponsor,

As the holiday season comes to a close, we are gearing up for another exciting year of youth baseball and softball!

The Seymour Youth League is a 501(c)(3) not-for-profit organization, and we are reaching out to ask for your continued support. This year, we are expecting to field 50 to 60 teams, with over 500 boys and girls ranging from ages 5 to 13 participating in baseball and softball. We would be honored if you would consider becoming a sponsor for one of these teams.

The sponsorship fee for 2025 is \$275.00 per team. Your sponsorship plays a critical role in keeping the league affordable for families in our community, while also helping cover the operating costs of the league.

For your convenience, we've enclosed a self-addressed return envelope for remitting your sponsorship fee. Please make checks payable to Seymour Youth League, Inc. If you wish to sponsor more than one team, whether in both baseball and softball leagues, or a boys' and girls' team, we welcome your generosity. Additionally, if you'd like to sponsor a relative's team, please include their name and age when submitting your payment. Sponsorship forms and payment are due by Friday, March 21, 2025. Please contact admin@seymouryouthleague.com with any questions.

On behalf of the young Seymour athletes and the entire Board of Directors, we sincerely thank you for your continued support of our program. Your involvement is vital to our success, and we deeply appreciate your commitment to helping shape the future of youth sports in our community.

Thank you again for your generosity!

Warm regards,

A handwritten signature in black ink that reads "Kyle Coates".

SPONSORSHIPS ARE DUE BY FRIDAY, MARCH 21, 2025.

If you plan to sponsor a team and request that a specific child be included on that team, the Seymour Youth League will make every effort to accommodate your request. However, there may be instances where this is not possible due to an excess of sponsors in a particular league or because another sponsor's child has already been placed on the same team. Historically, approximately 95% of sponsors have been able to secure a team with their requested individual. In cases where there are too many sponsors or a team already has two sponsors, we will contact you to discuss options, including a refund or transferring your sponsorship to another league or team.
